

Evolving High Performance Teams

AG

PROGRAM OVERVIEW

Course Information

This program provides practice in the skills every manager must possess to achieve team synergy and success. Using a self-assessment tool for new managers, participants are able to pinpoint their strengths and areas for improvement. Interactive activities take them through the paces of motivation, delegation, communication, performance management and coaching. They learn how to adjust their management style to deal with a diverse workforce, create an atmosphere where motivation can flourish and communicate more effectively across the organisation.

Who is it for?

Team leaders, team members, project manager or project team members

Duration

1 day

Delivery

Face-to-face training workshop

Work-based activities, including presentations, group tasks and case studies
