Strategic Management for Turnaround
PROGRAM OVERVIEW

Overview
This practical workshop provides participants with a framework and the tools to enable a structured approach to corporate recovery. It draws on Australian and international case studies including interviews with leading turnaround practitioners and corporate bankers. This workshop is offered in conjunction with the Turnaround Management Association (TMA) and the University of Technology Sydney (UTS).

Who is it for?
All professionals with an interest in turnaround, including bankers, restructuring lawyers, insolvency practitioners, management consultants, interim managers, private equity players, management accountants and entrepreneurs.

Duration
3 days

Delivery
Face-to-face training workshop
Work-based activities, including presentations, group work and case studies
